WRITTEN ANSWERS TO UNSTARRED QUESTIONS

Controversy over hasty sale of BALCO

2270. SHRI PREM CHAND GUPTA: Will the Minister of DISINVESTMENT be pleased to state:

(a) whether it is a fact that a great deal of controversy was generated due to the hasty manner in which sale of BALCO was carried out; and

(b) if so, the steps Government are taking to ensure complete transparency in the sale of other PSUs?

THE MINISTER OF STATE OF THE DEPARTMENT OF DISINVESTMENT (SHRI ARUN SHOURJE): (a) The process of disinvestment of BALCO took about five years as per Statement and was not carried out in haste *(See* below).

(b) The Government of India is carrying out disinvestment in its public sector undertakings (PSUs) in accordance with the prescribed procedure that ensures complete transparency. The procedure is reviewed from time to time and modified with a view to accelerating the process further. At present, the following procedure is being followed:—

- Proposals for disinvestment in any PSU, based on the recommendations of the Disinvestment Commission or in accordance with the declared Disinvestment Policy of the Government, are examined by the Core Group of Secretaries on Disinvestment (CGD). Thereafter, with the recommendations of the CGD, the proposals are placed for consideration of the Cabinet Committee on Disinvestment (CCD).

- After CCD clears the disinvestment proposal, selection of the Advisors for assisting in the implementation of the disinvestment decision, is done through a competitive bidding process.

- The Advisors assist the Government in preparation and issue of advertisement in leading newspapers, for inviting Expression of Interest (EOI) from prospective strategic partners. In cases of urgency, EOI is prepared by Department of Disinvestment and issued after approval of Inter-Ministerial Group (IMG).

- After receipt of the EOI, Prospective Bidders are short-listed, based on objective screening in the light of the announced pre- qualification criteria/requirements.

- The Advisors, after due diligence of the PSU, prepare the Information Memorandum in consultation with the concerned PSU. This is given to the short-listed Prospective Bidders, who have entered into a Confidentiality Agreement.

- The draft Share Purchase Agreement or the Shareholder Agreement are also prepared by the Advisors, with the help of the Legal Advisors, and given to the Prospective Bidders for eliciting their reaction.

- The Prospective Bidders undertake due diligence of the PSU and hold discussions with the Advisors/the Government/the representatives of the PSU for any clarifications.

- Concurrently, the task of valuation of the PSU is undertaken in accordance with the standard national and international practices.

- Based on the reactions received from the Prospective Bidders, the Share Purchase Agreement and Shareholders Agreement are finalised and after vetting by the Ministry of Law, they are approved by the Government. Thereafter, they are sent to the prospective Bidders for inviting the final binding bids.

- After examination, analysis and evaluation of the bids, the recommendations of the Inter-Ministerial Group (IMG) are placed before the CGD/CCD for a final decision regarding selection of the Strategic Partner, signing of the Share Purchase or Shareholders Agreements and other ancillary issues.

- In the disinvestment process mentioned above, Department of Disinvestment is assisted at each stage by an Inter-Ministerial Group (IMG) comprising officers from the Ministry of Finance, Department of Public Enterprises, Department of Legal Affairs, Department of Company Affairs, the Administrative Ministry/Department controlling the PSU, apart from the officers of the Department of Disinvestment and the Advisors.

- After the transaction is completed, all papers and documents relating to it are turned over to the Comptroller and Auditor General of India for CAG to prepare an evaluation for sending to Parliament and releasing to the public.
